Re: Smoke Detector Survey

Please complete this survey to see if your home may qualify for a free smoke detector. After a review of this survey, a representative from the Elizabethtown Fire Department may contact you about coming to your home to do a simple test to see if your smoke detectors are working and have a long life battery. If it is determined that your home needs a new smoke detector, the fire department will install one free of charge.

1. Are there any of the following in your household?

Children under age 5	Yes	No
Adults over age 64	Yes	No
Persons with disabilities	Yes	No

2. Are there any smoke detectors in your home? (if no, skip to Resident Information)

Yes No

3. How often do you check your smoke detectors?

4. How often do you change your detector's battery?

5. How old is your smoke detector?

Resident Information:

Resident's Name:

Address:

Telephone Number:

Please mail your completed survey to:
