

**Enrollment for Grease Trap Pumping
Town of Elizabethtown**

Program Summary

In order to provide a convenient and effective method of preventing accumulations in its sanitary sewer lines, the Town of Elizabethtown provides a voluntary GREASE TRAP PUMPING PROGRAM. This program allows all participants to benefit as it provides a bargaining tool for negotiating more affordable pumping rates for Town businesses as well as efficient administration and control for the pumping service provider, the grease trap owner, and Town ordinance enforcement efforts.

My pumping frequency as determined in accordance with the TOWN OF ELIZABETHTOWN FATS, OILS, AND GREASES ORDINANCE is:

_____ My trap must be pumped monthly-I will be billed \$185 per month on my utility bill. (Subject to change based on the actual pumping rates paid by the Town)

_____ My trap must be pumped bi-monthly- I will be billed \$92.50 per month. (Subject to change based on the actual pumping rates paid by the Town)

_____ I will make other arrangements for pumping. I understand that I must provide written evidence within 15 days of mandatory pumping. I also understand that I am subject to all other requirements of the FATS, OILS, AND GREASES ORDINANCE.

I hereby acknowledge receipt of a copy of the FATS, OILS, AND GREASES ORDINANCE (No. 02-9) and accept the pumping arrangements as outlined above.
